

Art Festival 2025: "Making faith visible"

Adult Artist Registration

Artist's full name: _____

☐ I understand:

- The Art Festival is being sponsored by the youth program of the church. The needs of the youth are our priority.
- The benefits to the youth from adult participation are obvious. Adults serve as models and guides and helpers. For the Festival to succeed, adult artists are needed in those roles.
- Adult artists will have full access to the art auction and the art-for-sale website with all proceeds going to them. They are also welcome to provide weblinks from our website to their own art-for-sale website.
- Funding for the Art Festival is underwritten, in part, by donations to the church specifically earmarked for "youth." Adults therefore are expected to purchase their own supplies or pay the church for the costs of supplies they provide.
- Age of the artist will play a role when judges rate works for the cash prizes. Adults may therefore be at a disadvantage. But this year is an experiment. Depending on the number of adult artists, some of their entry fees may be allocated to prizes for the adult submissions.

☐ The festival is authorized to use my name when displaying my works on web pages.

☐ \$10 entry fee will be provided when one of my proposals is approved.

Artist's Signature: _____

Date: _____
