

Art Festival 2025: "Making faith visible"

## Child Artist Registration

Artist's full name: \_\_\_\_\_

- ☐ My artist and I have discussed and agreed to these eight basic rules:
- During art sessions at church, my artist will be serious about the work and concentrate on it, fulfilling Ephesians 4:28: "Work, doing something useful with your own hands, that you may have something to share." There will be no free playtime until art sessions are over.
  - At no time will my artist leave church supervision without my express consent, and then only with the continued supervision of someone I authorize, which I will arrange beforehand.
  - My artist will obey 1 Peter 2:17: "Show proper respect to everyone." He or she will follow instructions and respect advice. The decisions of the judges at the awards ceremony will be honored.
  - My artist will not use any supplies without first asking permission.
  - My artist will clean up his or her work station and will help clean up the common areas before leaving each art session.
  - My artist and I reserve the right to decide and change at any time how the artist's works are presented online in Festival web pages, during the auction, and on the Festival's "art for sale" website.
  - I will receive any money coming from the sale of my artist's work and make sure the artist enjoys the benefits of those funds.
  - We understand it is a privilege to participate in the Festival. If my child is unable to obey these basic rules (with age-appropriate allowances), we will withdraw from the competition.
- ☐ Yes, I have completed a Parent/Guardian Contact Info sheet with Medical Consent.
- ☐ Yes, I will donate a \$10 entry fee when one of my artist's proposals is approved.
